Subject: US Steel Meeting

I think during our 10/13 meeting we said we wanted to meet to discuss the violation and remedy charts (and ultimately decide what we want to propose to US Steel), and to prepare for the conference calls with the states.

Will everyone have his/her portions of the charts completed by 11/3, and does that date work for a meeting, let's say 10:00?

Please let me know, thanks,

Brian Dickens
